

Soccer Season Snapshot

Whether you are a returning soccer player or new to the game, here are some helpful reminders and a timeline for the upcoming season.

Registration

- Register your soccer player in the affinity portal.
- Uniforms can be purchased at this time as well. You can reuse uniforms from previous seasons. Check to make sure they still fit. If moving from in-house to travel a new uniform will need to be purchased.
- Update player information: age, grade, uniform #, special needs, etc. in their player profile.

STEP 01

STEP 02

Team Placement

- Team placement will be announced in the weeks leading up to start of the season/practice.
- Volunteer coaches will contact their team via email once they are given their roster.
- This process depends on many factors: number of players, recruitment of volunteer coaches, balance of player age/skill among teams, etc.

Practice Begins

- Practice for groups U8, U10, Pre-travel and travel teams will begin usually two weeks prior to start of game day, weather dependent.
- Practice with your Team Coach will be held on a day of the week based on the volunteer coach's availability.
- Academy training for U8 (Wed.), U10 (Thurs.) and Goal Keeper (Fri.) are held at Richland Park.
- In the event of rain prior to practice, field status (open/closed) is updated at the [PRSC](#) website.

STEP 03

STEP 04

Game Day

- All players should have the proper equipment: cleats, shinguards, black shorts, black soccer socks and a PRSC uniform shirt.
- No jewelry of any kind can be worn during game play.
- Games are played at both Richland and Pine parks, depending on age group. Please make note of which park your games are played.
- Field status (open/closed) can be found on [PRSC](#) website.

Have FUN!

- Have a fun soccer season!
- Keep an eye for upcoming dates: summer camp, travel team tryouts and volunteer opportunities.
